

Lord Agathor and Lady Matylda do send greetings onto Their Majesties, Their Excellencies and onto the populace of our vast Barony. We do here by submit our bid to be your next Baron and Baroness. We have served in the SCA many years before we met and after we were married. We did take a break from the SCA, but let us assure you we are dedicated and ready to show the Midrealm and beyond the greatness of the populace of Northern Pentamere.

I, Lady Matylda (formerly known as AEsa) started in the Shire of Stormvale. There I served as MOAS, Herald, and Chatelaine. I have served in Donnershafen as MOAS more than once. I also assisted Mistress Melisande of Woodcrest when she was Pentamere MOAS. As a heavy weapon fighter I fought for Midrealm at several Pennsic Wars. I have had the joy of Feast-o-crating both Vikings Go Home and Vikings Come Home along with other events, I also have been event steward. I lived in the Barony of Red Spears where I served in Baroness Gabrielle Juliana Raron household. I take great joy in being in the SCA, hearing peoples stories and seeing the happiness of them. As Baroness I will encourage the populace to follow their passions and help them to connect with others of the same interest.

I, Agathor, am a heavy weapon fighter, MIT, and current Baronial Champion. I have held the office of Knights Marshal and received the Purple Fret for service to Donnershafen. I have indulged in many arts and sciences from leatherworking, woodworking, armoring, scrimshaw and brewing. I hope to finish my MIT training and assume the office of Knights Marshal when it becomes available. I wish to organize more demos and help in any and all ways to help our Barony prosper. I am honored to have been one of the founders of Donnershafen. I was there at its inception, helping in the design of our coat of arms. I have seen us rise from a dream, and am so proud of all the people who have worked so hard to get us to where we are today.

Thank you.

Lord Agathor of Donnershafen
Lady Matylda Filiczowska (AEsa)

Unto the Crown, the Heirs, and the good people of the Barony of Donnershafen,

We, Baron Cedach Muir and Baroness Meabh ingen Carthaig, with this letter declare our intent to serve as the next Baron and Baroness of Donnershafen. This Barony has been our home and the source of countless friendships and shared labors.

Our vision for the future is rooted in the strengths of our people. We wish to encourage our warriors who defend our honor, our teachers who pass on knowledge, our artisans whose hands create beauty and the many volunteers whose quiet dedication makes every gathering possible. We envision a Barony where participation is joyful, where mentorship flourishes, and where every voice has a place at the table.

Cedach has served as seneschal while Meabh has served as chronicler, chatelaine and currently the Webminister. We were pleased to serve as Baron and Baroness to Donnershafen, 2011-2016. Both of us have been involved in cooking and the running of the Barony's events. Our home has been opened up to gatherings for camaraderie and many projects for the Barony.

We are committed to leadership that listens, that supports, and that inspires. We do not seek this role for title or station, but out of love for the people who make Donnershafen extraordinary. If chosen, we will represent Donnershafen with pride and work tirelessly to help our Barony shine brightly within the Kingdom.

In service and friendship,

Baron Cedach Muir and Baroness Meabh ingen Carthaig

Fair greetings to Their Majesties of the Middle Kingdom and the Populace of the Barony of Donnershafen from Forester Wolfrick and Lady Evelyn.

The time approaches to invest a new Baron and Baroness and we humbly submit our letter of intent for consideration.

From our first event, Vikings Come Home, we were so completely enthralled that we jumped into the SCA with both feet. We were drawn in by the friendship of those we had just met and we continue to make new friends as we go on this amazing journey.

At that first Vikings Come Home I became the Baronial Archery Champion, then Deputy Seneschal. Within a matter of months, I took over as Seneschal, a post that I held until recently. Along this journey I have been honored to be recognized as a member of the Greenwood Company and the Order of the Dragon's Heart. I am authorized in armored combat, combat archery and siege weapons. I offer service as an Archery Marshal, Youth Combat Marshal, and Armored Combat Marshal. I am the current Pentamere Regional Archery Commander. Lady Evelyn recently became our Baronial Chronicler and has also been Donnershafen's youth minister, a position she maintained for over 8 years. She has also served as Baronial thrown weapons champion.

Our goal as Baron and Baroness would be to focus on recruiting efforts. Membership activity suffered from the pandemic that plagued our lands. Through a coordinated effort to reach out to inactive members as well as seek out new points of contact for potential members, we hope to grow our number. During our time with the Barony, we coordinated participation in the Trout Festival parade in Kalkaska, a booth at the Blazer Bash for Kalkaska Schools and a demonstration at an event called Pop Culture Con in Cadillac Michigan. The con was the most successful, which led to adding many valued members to our populace. By analyzing which aspects have been most successful, we can look to add recruiting opportunities that align with a greater chance of success.

It would be our greatest honor to serve as the next Baron and Baroness. Thank you for your time and consideration.

Forester Wolfrick and Lady Evelyn of Donnershafen
